The fine is €500

✓ Is your onboard unit switched on?  
(is the light green?)

Onboard unit not switched on?  
The fine is €500

✓ Does the onboard unit belong to the truck you are driving?

Onboard unit does not belong to the truck?  
The fine is €500

## Broken onboard unit?

### Report it to your service provider immediately!

After reporting: make sure a working onboard unit is installed within **3 hours**.

Here is how it works:

Reporting a broken onboard unit  
Red light or switched off

Report it immediately!  
To your service provider

Follow the instructions  
from your service provider

**Attention!** You are responsible for correctly installing the onboard unit.
